Mr. Joseph Criscuolo
Township Manager
Township of Aberdeen
One Aberdeen Square
Aberdeen, NJ 07747

Dear Mr. Criscuolo:

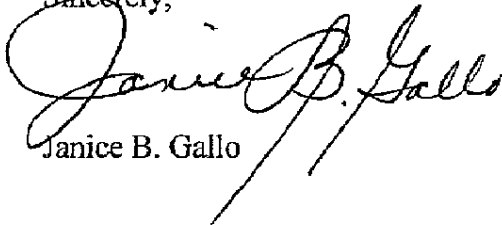

It is with sincere regret, after considerable thought, that I hereby tender my resignation as councilwoman of Aberdeen Township effective immediately.

Over the past year we have certainly had our share of differences, however, recent developments have cause me to realize that my attempts to promote what I believe are the best interest of Aberdeen, are often at odds with my fellow council members. As a result of my strong commitment, my personal life and health have begun to suffer. I therefore, no longer feel that I can fulfill my duties and responsibilities as a council member.

It has been my pleasure to have worked with many of you and I wish Aberdeen Township success in all its future endeavors.

I leave you with a quote from an unknown author. "No, life may not be easy, it can be lonely. Full of people we think we know, but barely comprehend. Yet we must always remember: it's the challenges that define us best, and the obstacles that illuminate what we're truly capable of. We must welcome adversity and embrace struggle, and no matter what we get from life, never give less than 100 percent. Of course, at the end of every battle weary day, we fold ourselves into peaceful darkness and find comfort in those gentle words... good night."

Sincerely,

Janice B. Gallo
